Dear Friend,

This is to tell you
that I shall soon resign here
because I can not consider my-
self qualified to teach Latin,
having forgotten most of it.
I am teaching algebra & English
composition without difficulty
but can not teach Latin
well.

The deaf department in my charge
was first started with only two
deaf students though it was
expected that it would
have 8., but I never
believe that we can
have enough students
here. One of the students
here is very anxious to

endorse it, and send it
to me as soon as possible

Thanking you & Dr. Fay
in advance for your this
kindness, I remain yours
respectfully

Lawrence M. Garrison

The testimonial will be
addressed to whom it may
