Dr. Gallaudet -

Dear Friend,

At present I am Supervisor of Boys at the State School for the Deaf here - I may be able to teach again in the near future. My health is all right.

Thanking you for your kind consideration, I remain

Yours sincerely

L. M. Savin

May 10, 1911.

My dear Mr. Larson:-

I have your letter of May 1st in regard to writing for you to the State Board of Charities of Wyoming to help in your appointment as principal of a new school for the deaf at Cheyenne.

Our annual exercises have kept me very busy and I have not replied as soon as I should have. I believe it would be much better for you to apply to Dr. Gallaudet and Dr. Fay, who knew you in college and have known you many years. They could write from long personal acquaintance with you.

Yours very truly,

Percival Hall.
President.
